

BOATS

A 28'x 9.5' Landing Craft built for a local customer using a SpecMar.com precut kit and powered by twin 250 H.P. Mercruiser Sportjets, this vessel has a 5000 # payload capacity, a 35 mph cruise speed and an 8 inch empty running depth. It also features a spacious engine room, a rear swim platform and enclosed comfortable seating for three. See specmar.com for more boat kits.

"THE TOUGHEST FREIGHTERS BUILT"

4X4s

4X5u UltiFlex

4X6hu HiFlex WITH RAISED TOP, GAS RACK

SINGLE AXLE TRAILERS

Introduced in 1998 as a 4' entry level trailer, this has evolved into the **TBS** (Talkeetna Bridge Slipper), narrow enough to go over the Talkeetna railroad bridge, **4x4s** and **4x5s** solid axle trailers, **4x4st** and **4x5st** single torsion axle trailers with a 600# or 800# axle capacity.

TBS	\$1550
4x4s	\$1600
4x4st	\$1850
4x5s	\$1750
4x5st	\$2000

SETNETTER- \$1650 **-st-** \$1900

TANDEM AXLE TRAILERS

The need and desire for a larger trailer for the larger machines brought about these larger trailers and the **UltiFlex** axle assembly. Two solid axles (**T**), double torsion (**DT**) axle or the exclusive **UltiFlex** (**U**) or **HiFlex** (**HU**) walking beam design axle are available under the 5' or 6' tub.

TUB	AXLES			
	T	DT	U	HU
4x5	\$2350	\$2850	\$2800	\$2950
4X6	\$2450	\$2950	\$2900	\$3050

DRUM HAULER \$1000

ACCESSORIES

Many accessories are available, standard or custom designed. Flat tops have 4 rubber hood latches standard, hinges & lift assists available. Raised tops have hinges & lifts standard and all tops have a cargo rack.

FLAT TOPS	\$900
HINGES & LIFT ASSISTS	\$195
RAISED TOPS	\$1500
GAS RACKS Single	\$95
Double	\$125
TOW TAB	\$75

4X4st WITH FLAT TOP **GOOSENECK** \$300

TAILGATE \$400
