BAYCRAFT MARINE, NORTH

HAUL OUT TRAILERS

Boat trailers and yard trailers, designed for the Bristol Bay salmon fishery, available in two different capacities featuring Honda powered hydraulics.

Built in Alaska for Alaska.

HAUL OUT TRAILERS

ALL WELDED STEEL CONSTRUCTION

Built with 3/8" thick steel tubing and thicker plate where needed, these trailers are designed to give exceptional durability for many years.

TWO SIZES / CAPACITIES AVAILABLE

Model 30KHO; a 30000 lbs capacity trailer with six 5200 pound capacity axles sets and 12 225/75R15 10-ply steel radial tires with a load capacity of 2830 lbs/80PSI each, designed for single engine boats 9'-15' wide, powered by an 11 HP Honda driven hydraulic lift system.

Model 48KHO; a 48000 lbs capacity trailer with six 8000 pound capacity axle sets and 12 235/80R16 14-ply steel radial tires with a load capacity of 4080 lbs/110 PSI each, designed for the bigger twin engine boats 14'-18' wide, powered by a 13 HP Honda driven hydraulic lift system.

Trailers come standard with a 12,000 lbs adjustable foot tongue jack, two 6" wide keel straps and winches with handles, 4 adjustable width guide posts and pins and rubber padded lift pads and bow stop.

For individual single boat "leave it on the trailer" use, a manual screw-jack style lift system is available at a reduced price.

huskyfreighters.com

These Standard trailers are NOT Highway Legal, but a Lighting or a Brake package can be added (prices Yet To Be Determined).

PRICES:

30KHO \$80,000USD* Deposit

48KHO \$90,000USD* Required

*fob WASILLA,ALASKA WINTER 2024-2025 build.

Add \$5000 for JULY-AUGUST 2025 DILLINGHAM, ALASKA build.
